Research

MARAJ GONZALES

Research Associate

Maraj is part of our experienced team of Research Associates – the team sources the best experts from around the globe and provides all essential services for expert engagement, including qualification and conflict checking, expert recommendations, and initial conference facilitation

✉ Maraj@expertsdirect.com

Case Management

COLEEN

Case Manager

Coleen is part of our experienced Case Management Team – their priority is to support clients and experts throughout the engagement, no matter how small or large the request from engagement to cross examination and everything else in between. The team arranges site inspections, consultations and manages fees so that the report is served on time and within an agreed budget.

Quality Assurance

RHETT WALTON

Quality Assurance Manager

Rhett spearheads our Quality Assurance Team. As a former Barrister, he is best placed to review reports for clarity, grammar and formatting, ensuring reports meet admissibility standards and are as clear and persuasive as possible.
